Prison Riot Follows Fire, Both Stopped

WALLA WALLA, Wash. (AP)—Quiet settled over the Washington state penitentiary today and a prison official said "all appears peaceful" after last night's damaging riot and fire.

Deputy warden Al Rembold said 800 inmates who took part in a noisy uprising that followed a half-billion dollar prison fire remained in their cells and "no fresh trouble is anticipated."

Guards, who broke up last night's disorders by spraying prisoners' quarters with tear gas, continued to patrol prison walls and buildings. They had the help of state patrol and sheriff's officers who hurried to the prison when the trouble began last night.

The guards were credited with keeping the outbreak to a minimum. They quickly herded prisoners into their cells when 14 inmates began acting up at evening meal time. Dishes were thrown and chairs smashed as a group of "young but tough" men began misbehaving.

WALLA WALLA, Wash. (AP)—Eight hundred state penitentiary inmates followed a half million dollar prison fire last night with cell-wrecking disorders that were quelled only after guards sprayed their quarters with tear gas three times.

The outbreak apparently was kept to a minimum by prompt action. Guards herded prisoners quickly into their cells when 14 inmates began acting up at evening meal time. Dishes were thrown and chairs smashed as a group of "young but tough" men began misbehaving.

This occurred about two hours after an unexplained fire roared through the institution's metal plant, destroying it and over one million license plates destined for use on Washington state automobiles in 1954.

Damage from the fire was estimated by Deputy Warden Al Rembold at half a million dollars. No disorders accompanied the blaze. It started after the plant had been closed down for the evening.

Officials were prepared, however, for unrest and acted quickly when the dining room meal broke out. Back in their cells, the men apparently became annoyed, Rembold said, because the prison's ventilation system failed when the fire burned out part of the power circuits.

Common Cold Virus Grown Outside Body

ROME (UP)—British scientists have succeeded in growing the virus of the common cold outside the human body for the first time in medical history but a cure for man's persistent enemy "still is a long way off."

Dr. Christopher Howard Andrews, 57, director of the common cold research unit at Salisbury, England, told the sixth International Congress of Microbiologists last night that he and his co-workers had grown the virus in plate cultures of long tissue from human embryos.

"But the cure of the common cold still is a long way off," he said. "Alas, we will have to go on suffering for sometime to come."

Fellow scientists said the success of the British efforts could open the way to new studies aimed at solving the mystery of what causes the common cold and how to prevent it. One said "Now we have our foot on the bottom rung of the ladder we hope to climb."

Andrews said his unit already had carried the virus through 10 passages in the embryo lung tissue. All previous attempts to grow the virus outside the living human body had failed.

Scientist to Photograph Fish

By FRANK CAREY
AP Science Reporter
MADISON, Wis. (AP)—University of Wisconsin scientists will use a submersible television camera to snoop on the private lives of fish—possibly gain information of aid to commercial and sport fishing.

They'll head out today on beautiful Lake Mendota, bordering the university campus for the first American research trails of an underwater television system developed by the National Research Council of Canada.

The Canadian equipment was brought here for exhibition at the annual convention of the American Association of Biological Sciences (AABS), which ends today.

Prescott Woman Charged Following Wreck Near Fulton

An auto accident five miles west of Fulton on Highway 67 about 8:30 last night resulted in injury to one man and the arrest of his wife on a charge of driving while intoxicated.

State Officers Charles Boyd and Clarence Gibson filed the charge against Mrs. Robert A. Gammill of Prescott following an investigation of the accident. Her husband suffered head lacerations, was treated at a Texarkana hospital and released.

The accident occurred near the new construction on Highway 67. Officers said the Gammill auto ploughed into the back of another car driven by C. P. Stewart of Texarkana. Stewart, his wife and two children escaped injury.

Humble, Great in Tribute to Vinson

By DOUGLAS B. CORNELL

WASHINGTON (AP)—The humble and the great offered a last mournful tribute today to Fred M. Vinson who was born of modest origin and died as chief justice of the United States.

From the national capital and the country over they assembled for funeral services in the great choir of Washington (Episcopal) Cathedral.

Special places were reserved for President Eisenhower, former President Truman, Supreme Court justices, Cabinet members, diplomats. There was space, too, for just plain people come to honor a distinguished American.

Vinson died of a heart attack early Tuesday morning. He was 63. For nearly three decades this friendly man had served his country. As a congressman from Kentucky, as secretary of the Treasury and in other high positions in the executive branch of the government, and finally for seven years as chief justice.

Tomorrow he will be buried in Louisville, Ky., the little town where he was born, in a cemetery on the bluffs of the big Sandy River.

Truman counted Vinson as a trusted adviser. He put him in his Cabinet and then on the Supreme Court bench. Eisenhower, too, esteemed the jurist as a personal friend, even though Vinson was a lifelong Democrat.

And today President and former President were drawn together for the first time since the change of administrations for a final measure of homage to a man they saluted as a great citizen.

Eisenhower interrupted his Colorado vacation to fly to Washington. Mr. and Mrs. Truman came by train from their Missouri home.

The eight remaining members of the Supreme Court, the honorary pallbearers at the services here and in Louisville, interrupted their own vacations to be on hand.

Vinson died less than a month before the Oct. 5 opening of the fall term of the Supreme Court.

In the midst of the parting solemnities, Washington wondered about a successor.

Youths Sentenced for Car Theft Here

Two youths, ages 15 and 16, who stole an auto here August 12 from Chester Marlar were sentenced to three years in the U. S. District Court at Texarkana yesterday.

The youths, furloughed from the Arkansas Boys Industrial School, drove the car to Marshall, Texas, where they were apprehended.

Although armadillos live mostly on bugs, they sometimes eat tomatoes or melons.

So You Think You Have a Very Rough Job—Brother You Should Have to Write a Daily Column

By HAL BOYLE

NEW YORK (AP)—Ten years ago it began.

There I was in Sicily, waiting to get on a boat for the Salerno landing in Italy. And not a care in the world except who to leave my wrist watch to in case I got hit coming ashore.

Then a press officer handed me the shattering cable from my boss. "Start writing daily human interest column immediately."

The press officer saw my face turn blue, and asked sympathetically, "What's wrong? A death in the family?"

"Yes," I told him, "A long, slow one—mine."

For I remembered how Don Marquis had once described writing a newspaper column as "digging a daily grave." And later, when I showed Ernie Pyle the cable, he gave me an elfin grin and said, "Cheer up. In between the mo-

Hurricane Danger Ebbs; Quake Takes Toll

MIAMI Fla. (AP)—Tropical hurricane Dolly, packing winds of 109 miles per hour, took a slight curve to the northwest today lessening the threat to the Bahamas Islands and the Florida coast.

An air force plane from Bermuda penetrated the season's fourth tropical storm and located the center about 600 miles east and a little south of Miami.

Grady Norton, chief storm forecaster at the Miami weather bureau, said that "if the hurricane continued on its present course it would not touch the Florida mainland."

Norton emphasized the "if" and pointed out the storm was still in the formative stage, and conditions might change in a few hours.

NICOSIA, Cyprus (AP)—An earthquake rocked the Paphos district of this British island off the southern coast of Turkey today. Police said about 30 persons were killed and 100 injured in various villages.

Southeast of Cyprus, Haifa and other points in northern Israel felt earth tremors on this first day of the Jewish New Year but no casualties or damage was reported.

Police reports said houses in the Paphos district were damaged extensively. Doctors were rushed to the area from Nicosia and other towns. The quake disrupted telephone communications with the area.

Violent quakes in the eastern Mediterranean area devastated the Greek islands in the Ionian Sea a month ago, killing an estimated 1,000 persons.

U. S. Indicts 7th on Charge of Slavery

BIRMINGHAM, Ala. (AP)—A seventh white farmer was expected to surrender today to face federal charges of holding Negroes in slavery. Six others from Alabama and Mississippi were freed in bond yesterday.

U. S. Dist. Atty. Frank Johnson Jr. said Lindsay Wynyard Dial, 43, one of six Dial brothers and cousins who were indicted by a federal grand jury, would appear at the U. S. marshal's office during the day.

The indictment charges that one Negro man died after being bound and whipped at gunpoint.

Three alleged beatings of Negroes were listed.

The defendants paid fines for Negroes who were in Mississippi jails and took them to their extensive farm holdings in Sumter County, in west-central Alabama. Johnson said. There the Negroes were required to work out the debts.

Other defendants besides Lindsay Dial are his first cousins Oscar Edwin Dial, 34, Fred N. Dial, 25, Grady Clarence Dial, 28, Robert Mitchell Dial, 44; Arthur Arnold Dial also known as Otto Dial, 27, a second cousin of the four Dial brothers; and Charles Harper, also known as Francis Harper Portersville, Miss. Oscar Dial and Harper were placed in \$2,500 bond. The others posted \$1,000 bond.

The indictment alleged that when the Dials brought the Negroes to their farm near Boyd, Ala., "work out the debt" the Negroes were held in "involuntary servitude and slavery."

Roderick Beddow of Birmingham for the seven, said they made statements that they were innocent of the charges.

Federal authorities claim that Herbert Thompson died after being beaten because he tried to run away last May.

Argument Over Marriage Ends With Youth of 17 Shooting His Mother, Father to Death

CLINTON (AP)—An argument over the proposed marriage of their 17-year-old son led to the slaying of a middle aged farm couple — described as "two of the best folks in the county" — near here Tuesday.

Sheriff Farish Fraser of Van Buren County said early today that Leslie Wright had signed a statement describing how he shot his mother and father, Mr. and Mrs. Junious Wright, in the dining room and front yard of their farm home.

Fraser said no charges had been filed against young Wright but added "It's just a matter of time before we file first degree murder charges against him." Wright will be taken to the Faulkner County jail at Conway, he said.

The bodies were found after Wright told neighbors his father was lying dead in their front yard. Five .22 caliber bullets had been pumped into the body. Mrs. Wright's body had two slugs in it. Wright was 33, his wife about 48.

Young Wright told officers at first that he had spent Tuesday night at a friend's house and returned yesterday to find his parents dead.

In the slayed statement, Sheriff Fraser said, the teen-ager told how he and his parents had argued over his plans to get married and quoted the statement as saying, "I decided to put them out of the way."

The shooting, Fraser said, evidently began in the dining room. A bullet hole was found in the wall and three empty shells were on the floor. The remains of a lunch was on the table.

Fraser said young Wright told him he followed his parents out of the house as they fled before his gun and continued firing at them in the yard.

Shortly after the bodies were discovered Van Buren County Coroner ruled both deaths were murder.

Six British Die in Attack by Chinese

By FRED HAMPSON

HONG KONG (AP)—A Navy source said tonight a small Chinese Communist warship which attacked a Royal Navy launch yesterday opened fire without warning in international waters outside Hong Kong, killing six.

The source, asking to remain anonymous, said men on the launch reported the Red warship a corvette, scored 12 hits on the launch. At least five other British seamen were wounded.

The survivors related that the lightly armed launch spotted the Red corvette and began to turn. Then the corvette opened fire without warning.

They said that the first shot hit the bridge, wounding the skipper and killing another officer. The latter presumably was E. Frank Gower, a reserve captain, the only victim so far identified.

The second shot killed a sailor who was running to man a 40-millimeter gun in the bow. Ten other shells hit the launch before the corvette pulled away, the source said.

The crippled launch then signaled a nearby marine police boat, this account said. The police boat towed the launch to a British anchorage and then summoned the British destroyer Concord.

The Red corvette had quit the scene by that time and the Concord took the wounded to Hong Kong.

The navy man said three of the five wounded were in serious condition, but the navy refused to comment.

The little launch docked in Hong Kong today in great secrecy. The navy blocked off the area to news-men.

The British crown colony prepared to bury the six victims, the reserve captain and five navy men.

Better Late Than Never

ANNAPOLIS, Md. (AP)—With mumbled apologies Maryland is getting around to officially observing the 500th anniversary of Italian artist Leonardo da Vinci . . . one year late.

Gov. Theodore McKeldin yesterday proclaimed Oct. 11-17 as Leonardo da Vinci Appreciation Week in Maryland.

He explained that "war and related distractions" caused the overlooking of the observance in 1952.

Quartet Contest

KANSAS CITY (AP)—Female barbershop quartets from Oklahoma, Kansas and Missouri will take part in the Sweet Adeline, Inc., second annual Midwest chorus contest here Saturday. More than 500 women were expected to attend.

News Briefs

DESMET, Idaho (AP)—The suffocation deaths of two brothers in a deep freeze here Tuesday brought to 13 the number of similar deaths across the nation in recent weeks.

The brothers, Peter L. Sheppard, 6, and Robert, 4, climbed into the deep freeze on the front porch of their home. Their father discovered them and rushed them to a hospital where they were pronounced dead.

Last month five children suffocated in an old icebox at Proctor, Ark. Four others met death similarly in Richmond, Va., and two at Haverhill, Mass.

LITTLE ROCK (AP)—"There he is."

Passengers waiting to board an American Airlines plane at Little Rock for the east didn't have to ask what that shout meant today.

It went up as PFC Ellis Polk, 20, of Senary, and PFC Charles Korte, 21, of Lonoke, came down the steps of the just-landed plane into their mothers' arms.

RUTLAND, Vt. (AP)—A Fort Smith, Ark., family touring Vermont as guests of the state was invited to visit the Rutland fair today as the personal guests of Gov. Lee E. Emerson.

LITTLE ROCK (AP)—The printing section of Gov. Cherry's new Fiscal Code Act was held unconstitutional today.

Palatka Chancellor Guy Williams issued the ruling in refusing to prohibit Secretary of State C. G. Hall from advertising for bids on the state's next printing contracts.

NELSON, B. C. (AP)—Seventy-one women and 77 men in the Doukhobor tent village of Potholka were arrested last night for parading in the nude in protest to orders that their children attend public schools.

The arrests were made by Royal Canadian Mounted Police in the village situated on the outskirts of nearby Perry siding, 250 miles east of Vancouver, B. C. The members of a radical wing of the Doukhobor colony were rounded up and put on Canadian Pacific Railway cars for shipment to Vancouver. They offered no resistance but remained unclothed during the roundup.

All of the 148 persons arrested have been charged with contributing to juvenile delinquency.

Only a few of the Doukhobor children showed up at school opening time.

LITTLE ROCK (AP)—Arkansas farmers were paid \$21,340,000 more for their products in 1952 than in 1951, the Federal Crop Reporting Service said today, although livestock income dropped \$6,900,000 during the year.

The report showed a gross farm income for the state of \$592,220,000, up 3.7 per cent over the \$570,880,000 in 1951.

SPRINGFIELD Mo., (UP)—Frightened Springfield mothers kept their children in today while jittery police searched for more snakes which have been identified as deadly poisonous cobras.

Five such reptiles have been killed in a neighborhood adjacent to a pet shop. Authorities feared there may be more.

Uniform Plan for Voters Is Visioned

By D. HAROLD OLIVER

WASHINGTON (AP)—Political researchers declared today American voters chose presidential nominating delegates in "intolerable confusion" last year, but that television and public debate may soon bring changes.

Their preliminary report was prepared for the annual meeting of the American Political Science Assn. (APSA) which has attracted some 2,000 political scientists from all over the world.

It was made by a group of researchers headed by Dr. Paul T. David of the Brookings Institution, who, cooperating with the APSA, studied the 1952 delegate-picking procedure.

The findings dealt exclusively with six classifications of primaries held in 17 states and the District of Columbia. The rest of the states name delegates by state and district conventions, with a few in the South picking by state party committees.

About two-thirds of U.S. adults use eyeglasses.

French to Get U. S. Aid for Indochina War

By JOHN SCALI

WASHINGTON (AP)—The National Security Council was reported today to have recommended that France be given several hundred million more American dollars to back a new drive to end the bloody Indochina war.

The American funds would enable France to transfer nine battalions of troops from Europe to Indochina to lead a new campaign against the Communist-led guerrillas.

Highly placed officials who reported this said the security council, the government's top policy-making body, decided on this move yesterday at a review of the Indochina war.

President Eisenhower is expected to approve the recommendation after discussing it with key congressional leaders to determine how to scrape up the money.

Preliminary estimates indicate the new aid program would cost some 300 to 400 million dollars in addition to the 400 millions Congress appropriated for Indochina this year.

The Eisenhower military and foreign policy leaders are reported convinced the United States has no alternative but to back the new French Indochina program if it wants to keep this strategic Southeast Asia nation out of Communist hands.

Communist-led rebels, supplied by Red China, already have conquered large areas of Indochina during an eight-year campaign and have fled up more than 350,000 French and loyal Indochinese troops.

The new French plan for winding up the conflict was put forward by the government headed by Premier Joseph Laniel. Its author is Gen. Henri Navarre, who drafted it after a visit to the battlefield.

The offer to move nine battalions of French troops to Indochina to reinforce units already there is reported to be the principal feature of this new strategy.

But the French are said to have promised also that they will try to build up the loyal Viet Nam army further so it along with Cambodian and Laos forces, can eventually take over the burden of defending Indochina.

Lovesick Veteran Grabbed From Bridge

CLEVELAND (AP)—A quick-moving police captain grabbed a lonely, love-sick Korean War veteran who threatened for 35 minutes today to jump off the high level bridge over the Cuyahoga River.

The 21-year-old veteran, who was not named told police: "Nobody loves me — I have no friends."

"It sounds crazy — but I was lonely," he continued, "I kept thinking of the girl who double-crossed me and married somebody else while I was in Korea. I'm disappointed in myself. I should be settled down with a good job."

The captain who made the rescue was William P. Zimmerman, one of 18 policemen, 10 firemen and a coast guard crew called to the bridge.

The veteran — injured in a Korean tank accident — had been treated at Cile Hospital for combat fatigue since his discharge from the army.

Twenty-six states of the United States rank travel among their three biggest industries.

All Around the Town

By The Star Staff

Taking the Arkansas Highway Commission at its word, Howard County has already agreed to furnish right-of-way for paving nine miles on Highway 55 between Mineral Springs and Saratoga.

That Kinsey report, you know the one about sex, really gets around . . . Just ask Judge Lytle Brown . . . It cropped up in a case which he was hearing in Miller Circuit Court yesterday.

Information is hard to get on this year's Bobcat team, at least this reporter hasn't been able to get any up to noon Thursday but here's some dope from practice observation that perhaps, football fans would be interested in: The Bobcats will run from a single wing formation most of the time and they probably will be heavier than last year; Joe Willis has the center post in the bag while sure starters in the backfield will be Sonny Griffin, Raymond Churchill and Bruce Duke; the guard posts are well heeled with Ralph Vigezza and James Cornelius; Leroy Cooley is slated at tackle; Buddy Mosley

Divorcee Arrested in Embezzlement

MIAMI, Fla. (AP)—Jenn Elizabeth Dusing, 24-year-old divorcee, today faced charges of misapplying \$111,232 belonging to the Central Bank and Trust Co., where she worked for two years.

Five men, former customers of the bank, also were arrested and charged with the woman with conspiring to have her hold up last checks which they had written.

They were identified by the FBI as Tom E. Howell, 65, who allegedly received \$71,952; Chester C. Smallwood, 34, who said he got \$11,232 which he lost at dog races; William Mince, 34, who admitted getting \$3,000; Arthur H. King, 33, charged with receiving \$3,739; and Warren Schmickel, 32, accused of taking \$375.

Judge Convicts Cleveland Press Trio

CLEVELAND (AP)—Common Pleas Judge Joseph H. Silbert late yesterday convicted three members of the Cleveland Press' editorial staff of contempt of court for a picture taken in the judge's courtroom. Their attorneys announced they would appeal.

City Editor Louis Clifford was fined \$500 and costs and ordered held in the custody of the sheriff for one hour. Reporter Sam Glimo was fined \$100 and costs. Photographer James Thomas was fined \$100, suspended.

However, the sentences were stayed after Atty. Gen. J. Edgar Edwards general counsel for the Scripps-Howard Newspapers, announced he would file a police appeal. The newsmen were released on bond.

At issue was the taking of a photograph of former Probate Judge Nelson J. Brewer as he was arraigned last Aug. 20 on a charge of embezzlement. Brewer pleaded innocent.

Judge Silbert contended he had told reporter Glimo that the preceding afternoon no pictures would be allowed. He said he informed Glimo and another reporter this was because of a section in the Canon of Ethics of the American Bar Association stating that courtroom pictures should not be permitted.

Edwards argued Silbert's order had no legal effect because it was not a part of the Court Journal, and that "a court can speak only through a journal."

He also contended that there was no obstruction of justice in a "mere click of the camera." He said the Canon of Ethics was not binding on the press, and asserted that the judges of the Cuyahoga County Common Pleas Court, a group he had discussed the canon at a meeting earlier in the year, but had failed to adopt it.

John J. Mahon, assistant county prosecutor, argued that there had been "since last May" a rule in Judge Silbert's court that no courtroom pictures would be allowed. He declared it "was a reasonable order and a reasonable rule." He said it was not necessary for the court to publish a rule in order to regular conduct in a courtroom.

Judge Silbert, referring to Clifford, said it was a case of "open defiance." He said Glimo was acting under orders and that "I might have done the same thing under those circumstances." Because testimony failed to show Thomas knew of the picture ban, he was convicted only of obstructing and delaying the Aug. 20 proceedings.

The donkey, one of the most ancient of draft animals was not taken to England until the 9th or 10th Century.

Only one hour before the balding young Pole met newsmen in Seoul, a Communist official at Panmunjom charged that he had been "kidnaped" by the U.S. Army.

The Polish delegate to the Neutral Nations Supervisory Commission did not demand the return of Hajdukiewicz but said a strong protest would be lodged.

Hajdukiewicz, wearing green U.S. Army dungarees told his news conference he made his dramatic break because "I knew it was my last chance."

He said he believes his escape will encourage others in Poland. "The Polish government is based on fear," he said, "I didn't want to return to my country which has been subjugated by the Communist regime. I should like to go to the United States of America."

He described communism as "the subjugation of all life." After the news conference Hajdukiewicz was accompanied by U.S. officers to an undisclosed site, presumably in the Seoul area. He probably will be flown to Tokyo in a day or two, but Army officials said they had no information on this.

State Department officials in Washington said the circumstances were unusual but it is U.S. policy to grant political asylum to persons honestly at odds with communists.

Special Program Planned by KXAR

KXAR will present a special football program tonight at 7:30 p. m. titled "Football Kickoff." During the one hour program, coaches from all the schools on the Robert schedule will be interviewed along with local school students and officials.

NEW YORK (AP)—Motors and
radios were under some selling
pressure today in a falling stock
market.

The decline today following two
days of relative steadiness went to
around 2 points at the outside in
a few areas. Otherwise the changes
either way were small.

The decline in the automobiles
came after Studebaker announced
it was laying off between 5,000
and 6,000 men in a production cut-
back of one-third.

Railroads were down along with
the motors, and stocks were a com-
panion on the slide.

Among lower stocks were North-
ern Pacific, Southern Railway, Re-
public Steel, American Woolen,
Kenebec Copper, and Allied
chemical.

**Cherry Says Demos
to Use His Idea**

LITTLE ROCK (AP)—Gov. Francis
Cherry says the national Demo-
cratic Party has adopted his idea
for holding out intra-party squab-
bles.

The governor said yesterday that
Democratic National Chairman
Stephan Mitchell had told him of
the formation of a National Ad-
visory Council for the Party.

Following Cherry's idea, the
council will be composed of repre-
sentative Democrats who will try
to resolve differences between
southern, northern and western
Democrats.

Cherry said the membership of
the council will be made up at the
Democratic rally in Chicago which
starts Monday.

The governor said Mitchell has
asked that six Arkansians serve on
the trouble-shooting team. Cherry
said he's asked two men to serve.
They are State Insurance Commis-
sioner Harvey Combs and Little
Rock businessman Sam Watkins.

The other four Arkansians may
be selected from among the Ark-
ansas delegates to the rally.

**Israel Denies
Massing Troops**

JERUSALEM (AP)—Israel em-
phatically denied recent Arab
charges today that it has been
massing troops in the Jerusalem
area. A foreign office spokesman
said the accusations were "devoid
of any scientific truth."

The eight-nation Arab League
Aug. 30 told the British embassy
in Cairo it was "taking a serious
view" of alleged Israel concentra-
tions in Jerusalem and asked Brit-
ain to intervene.

"Sliding" Cold
On a cold winter night, a few
hundred feet of altitude on a hill-
side may make a difference of ten
degrees in the temperature. Cold
air slides down hill on a cold, still
night.

ARTHRITIS?
I have been wonderfully blessed
in being restored to active life after
being crippled in nearly every joint
of my body and with muscular
soreness from head to foot. I had
Rheumatoid Arthritis and other
forms of Rheumatism, hands de-
formed and my ankles were set.
Limited space prohibits telling
you more here but if you will write
me I will reply at once and tell
you how I received this wonderful
relief.

Anti-Polio Shots to Be Given 30,000

ST. CLOUD, Min. (AP)—Thirty
thousand children start today
for anti-polio shots and fol-
lowing.

The shots of scarce, annual
globulin are expected to reverse
the upward trend of polio cases
which have been the hardest hit in Minne-
sota.

in Minnesota's Stearns and Benton
counties, which meet here.
The billings will be recompense
and health authorities last Fri-
day. The globulin was flown to
tored by more than 50 doctors
and scores of nurses who have vol-
unteered for the nation's 15th mass
immunization project.

Health authorities are aiming at
immunization of all boys and girls
3 months through 4 years of age
in the two counties and the part of
Stearns County within St. Cloud.

The National Foundation for In-
fantile Paralysis provided 231,000 has been the hardest hit in Minne-
sota.

show that Stearns County, with a
population of 70,000 in the
counties, has had 110 polio cases
this year, and Benton with a pop-
ulation of 15,911, 13 cases. One
death has occurred.

On a percentage basis, the area
spectively, have been 184, 179 and
181.

**District Attorney
Is Appointed**
FORT SMITH (AP)—A 24-year-old
Hot Springs attorney is a the new
assistant U. S. attorney for the
sota this year.

Through yesterday, there were
1,234 cases and 50 deaths reported
in the state compared with 1,370
cases and 70 deaths in 1952. Case
totals for the past three weeks re-
spectively, have been 184, 179 and
181.

Mrs. Dean to Wait
BERKELEY, CALIF. (AP)—Mrs.
Mildred Dean has called off plans
to fly to Tokyo to greet her re-
leases and 70 deaths in 1952. Case
totals for the past three weeks re-
spectively, have been 184, 179 and
181.

William F. Dean, telephoned her
he would be home within two or
three weeks.

Miss Betty Porter
Has Home Wedding

Miss Betty Porter, daughter of Mrs. Bill Porter and the late Mr. Porter, became the bride of Carey Whitten, son of Mr. and Mrs. Delma Whitten of Bodecaw, at 10 o'clock Sunday, September 6, in the home of the bride's sister, Mrs. A. W. Martin.

The place of ceremony was marked with floor baskets of white stock, white gladioli, and greenery. The Reverend S. A. Whitlow performed the impressive double ring ceremony.

Preceding the ceremony Mrs. A. W. Martin presented a program of nuptial music including "To a Wild Rose" and "I Love You Truly." During the ceremony "Schubert's Serenade" was played. The traditional wedding marches were used.

A. W. Martin, Jr., nephew of the bride, lighted the candles. The bride wore a ballerina length dress of brown and gold tulle with brown accessories. She carried a small white Bible topped with a white yellow threaded orchid and streamers of white satin ribbon tied with miniature cashmere.

Miss Wanda Andros of Hope served as maid of honor. Her dress was of green and gold tulle with brown accessories. She carried a bouquet of yellow and bronze mums tied with white satin ribbon.

Dodson Taylor of Wharton, Texas, served as best man. Mrs. Porter, mother of the bride, wore a wine crepe dress with black accessories and pinned a corsage of white gardenias at her shoulder.

Mrs. Whitten, mother of the groom, wore a navy crepe dress with navy accessories. Her corsage was of white gardenias.

A reception was held immediately following the ceremony. The bride's table was covered with a floor length white linen outwork cloth. Crystal candelabras holding lighted tapers and a crystal bowl filled with yellow and white mums centered the table. The two tiered wedding cake was embossed with yellow rose buds and topped with a miniature bride and groom.

Miss Sue O'Steen served the cake assisted by Miss Greta Caston and Miss Lois Whitten. Miss Callie Caston presided at the punch bowl. Miss Jean Arnold was in charge of the bride's book. Those assisting at the reception were ballerina length dresses of dark tulle and corsages of white and pink tinted roses.

Following the reception Mr. and Mrs. Whitten left for their home in Conroe, Texas, where the groom is employed. For travel Mrs. Whitten selected a blue shantung dress with navy accessories and pinned the orchid from her bouquet at her shoulder.

Out of town guests were Mr. and Mrs. Delma Whitten, Mrs. Chester Whitten, Lyndia, Joyce, and Shirley Whitten and Jo Ann Russell of Bodecaw; Mrs. Barto; Mrs. Audrey McNatt and Mrs. Jack Herring of Texarkana; Mr. and Mrs. Dodson Taylor of Wharton, Texas; Miss Kathleen Walker of ETSTC, Commerce, Texas; Mr. and Mrs. Robert Porter and son Robert Cole of Arkadelphia; and Mr. and Mrs. Carol Huddleston and son, Tommy, of Magnolia.

Bride-Elect Honored
With Miscellaneous Shower
Mrs. H. C. Hutzel of Hot Springs assisted by Mrs. M. L. Childs and Mrs. C. B. Newsom also of Hot Springs honored Miss Teresa Bonds

Bonds, bride-elect of Hoyett A. Newsom of Hot Springs, Tuesday evening at the home of Mrs. Hutzel with a miscellaneous shower.

The hostess presented Miss Bonds with a corsage of white carnations and tube roses. The centerpiece of the dining table was a miniature bride and groom with white satin ribbon streamers that led to the gifts. Floral arrangements were placed at vantage points throughout the rooms.

The honoree's chair was decorated with wedding bells and white satin ribbon. Punch and individual white lead cakes embossed with wedding bells were served to the seventy guests present.

Miss Teresa Bonds
Feted With Shower

Mrs. Horace Pye and Miss Frances Billingsley of Present honored Miss Teresa Ann Bonds, bride-elect of Hoyett A. Newsom of Hot Springs Monday afternoon at the home of Mrs. Pye with a miscellaneous show.

The hostesses presented Miss Bonds with a corsage of yellow mums. Attractive floral arrangements decorated the open rooms. The honoree's chair was decorated with white satin ribbon.

A dessert plate was served to the forty-five guests present.

Lula McSwain Society
Meets September 6

On Monday afternoon, September 6, the Lula McSwain Society of Christian Service of Emmet met at the home of Mrs. Paul Edwards with Mrs. Sidney Allen as co-hostess.

The Edwards' home was decorated with arrangements of summer flowers.

The president, Mrs. Otis Townsend, called the meeting to order and Mrs. Felix Grimes gave the devotional with Mrs. Tom Garland leading in prayer.

After the business session Mrs. D. G. Richards, program chairman, presented an interesting program on "Abundant Life of Rural People." She was assisted by Mrs. Herman Reyenga, Mrs. Karl Weeks, Mrs. J. B. Youmans, and Mrs. Shelby Jones.

The program was closed with the motto repeated in unison, led by Mrs. Remy Garland. During the social hour the hostesses served a salad plate to 21 members and one guest, Mrs. Hargis.

Coming and Going

Mrs. D. W. Hensley, Jr., and son, David, of Benton are guests of her parents, Mr. and Mrs. S. L. Murphy.

Mrs. R. L. McConn attended the funeral of her niece, Billie Sue Gormley, in Little Rock Wednesday.

Mr. and Mrs. W. P. Watson and son, Lloyd, of Houston were the weekend guests of his parents, Mr.

Boyle

Continued from Page One

and to know you have many friends and memories in many places.

People often ask a columnist, "How do you get your ideas? Do they just come to you?" Well, yes and no. Sometimes they are suggested to you. Sometimes they come in the mail. But generally you just take a cold shower, put it to your head and start querrying. The thing a columnist sees most often is the ceiling. You get to lean back in your chair and stare at a lot of interesting ceilings in this trade.

The hardest thing to realize is the impossibility of writing a column that will please everyone including, perhaps, yourself. It can't be done in a world of differing values. People don't all laugh or weep or applaud at the same things, and funny bones seem to get more sensitive every troubled year.

The greatest peril to a columnist, it seems to me, is to become a stuffed shirt pundit, to appeal to people's prejudices instead of

and Mrs. R. S. Watson, and sister, Mrs. Ruby Osburn.

Mrs. R. S. Watson, Mr. and Mrs. W. P. Watson and Jimmy Osburn spent Sunday in Washington with Mr. and Mrs. Robert Watson.

Tom Ed Hays, son of Mr. and Mrs. Thomas Hays of Oakhaven, left Wednesday for Virginia Military Institute, Lexington, Va., where he will enter as first year cadet.

Do CRAMPS
give you that
monthly look?

Why let tell-tale misery, "nerves" show in your eyes? Does your mirror show an older-looking, worn-out, nervous face during your "bad days"? Why let men see that you are suffering from monthly cramps? Try a little CARDUI each day as thousands of women do. Let it help build strength and resistance so you have less and less misery each month. Some go through periods without feeling any discomfort at all. Also helps relax jittery nerves—sleep better. Look, feel, act younger, more normal all month. Ask for CARDUI. (Say "CARDUI" to your pharmacist.)

CARDUI MONTHLY CRAMPS CHANGE OF LIFE

Mr. and Mrs. W. P. Watson and son, Lloyd, of Houston were the weekend guests of his parents, Mr.

their minds and hearts. It is easy to pick up a rock and throw it at something you haven't taken the trouble to understand — far too easy.

If I had my 2,300 columns to do over again, I'd probably do them all differently. Five minutes after any piece of writing leaves your typewriter you can see it is beset with flaws. But only about half a dozen of the 2,300 were written in hate, and these alone I really regret. There is no greater waste in living than hate.

So it is that today I really feel free to attack only two things: small-mindedness and poison ivy. I used to be against snapping turtles and poison snakes, but you know, they have their place and purpose in the world. However, nobody will admit he is small-minded, and even vegetarians don't have a kind word for poison ivy.

The best friends of any columnist are his critics as they help keep his hat size normal. My favorite critic has always been Elmer Fish of Alliance, who used to scribble on penny postcards such remarks as "God must have been asleep when you were born." Later, I haven't heard from Elmer. I don't know whether he simply got disgusted with me or decided, when the post office raised its prices, that I wasn't worth a two-cent postcard.

What are the secret sorrows of a columnist? They are two — meeting the daily deadline, and people who ask: "Is that all you really do? How do you spend all your spare time?" Well, columnists do just what housewives do when they are asked the same question. They brood.

Four Violent Deaths in State

By THE ASSOCIATED PRESS

Four violent deaths were reported in Arkansas yesterday, including the slaying of a middle-aged farm couple.

Sheriff Farish Fraser of Van Buren County said the bodies of James Wright, about 33, and his wife, 34, were found lying in the front yard of their home near Clinton, their bodies riddled by 22 rifle bullets.

Coroner H. J. Hall returned a verdict of murder in both deaths. The sheriff said the Wrights' 17-year-old son, Leslie, had admitted the shooting.

A 39-year-old Smackover logger was crushed to death near Mount Holly, Ark., as he tried to adjust a chain on a truck load of logs.

Witnesses said the chain broke, throwing Pervis Parker to the ground and toppling the logs on top of him.

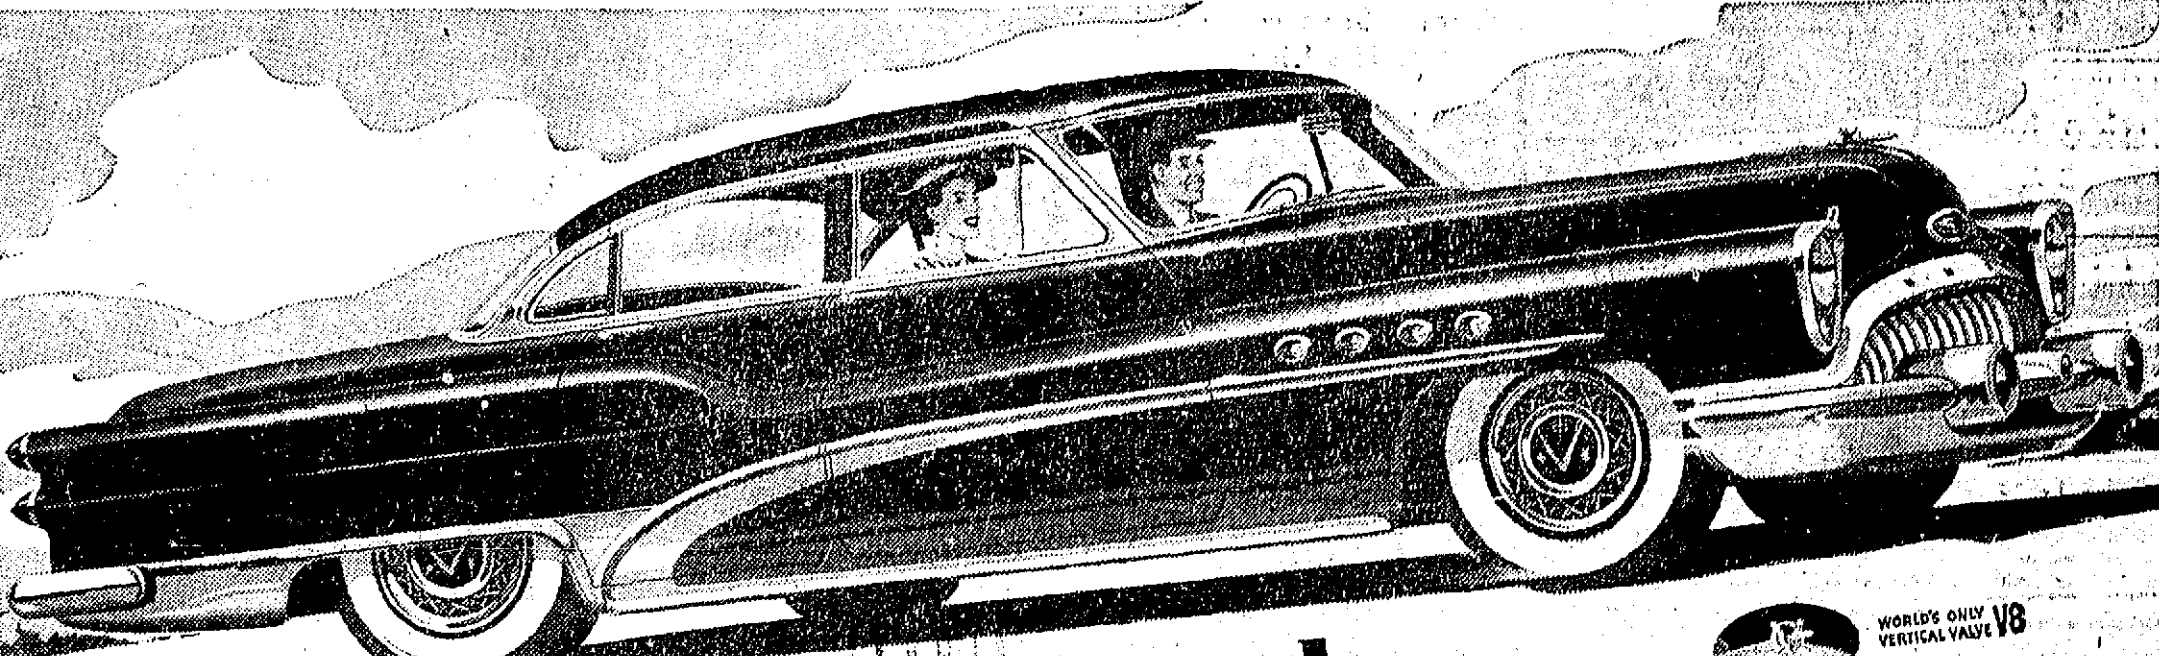

At Pine Bluff, a 9-year-old Negro boy was injured fatally when struck by a truck. The victim was Edgar Gene Thompson.

The daily deadline, and people who ask: "Is that all you really do? How do you spend all your spare time?" Well, columnists do just what housewives do when they are asked the same question. They brood.

ROADMASTER

CUSTOM BUILT BY BUICK

To you who have yet to drive a 1953 Buick Roadmaster, we have this to say:

There is waiting for you at the wheel of this car a tremendously satisfying experience—the most magnificent Buick motoring experience of the past half century.

We say this as a matter of straight and simple fact.

For in this automobile—the smoothest-riding, the most maneuverable, and the most instantly responsive Roadmaster in history—is an engine unlike any other in the world, plus an automatic transmission of similar uniqueness.

Here, you command the first Fireball V8 Engine—the world's first V8 with vertical valves—the modern and advanced V8 with the highest horsepower ever placed in a Buick, and the highest compression on the American scene today.

Here, you command distance through the liquid grace of Twin-Turbine Dynaflo—where getaway response is instant and quiet and power build-up is infinitely, utterly smooth.

Here too, you take a new step forward in fine-car motoring—in the luxury of your ride, the luxury of your surroundings, the luxury of your control, with Power Steering standard equipment at no extra cost.

We can give you the details, the reasons, the facts.

But—wouldn't you rather learn the sum total of such things in a road sampling of the greatest Roadmaster yet built?

We'll be happy to arrange matters. Why not visit us soon?

*Available at additional cost on Roadmaster and Super models only. **Optional at extra cost in Super and Roadmaster Sedan and Riviera models.

Happy Is The Day When Backache Goes Away

Nagging backache, loss of pep and energy, headache and dizziness may be due to slow-down of kidney function. Doctors say good kidney function is very important to good health. When some everyday condition, such as stress and strain, causes this important function to slow down, many folks suffering from backache, feel miserable. Minor bladder irritation due to cold or wrong diet may cause getting up nights or frequent passages. Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. It's amazing how many times Doan's gives happy relief from these discomforts—helps the thousands of kidney tubes and filters flush out waste. Get Doan's Pills today!

Loyalty Pledge Chief Topic of Democrats

CHICAGO (AP)—The Democratic party's so-called "loyalty" pledge appears a likely lively topic of debate at next week's meeting of national party leaders.

Southern opposition to the "loyalty" oath was underlined yesterday when Gov. Hugh White of Mississippi said he would ask the party's Executive Committee to hear his argument for scuttling it.

Some other Southern party leaders were expected to join White in denouncing the "loyalty" oath which Northerners sought to apply at last year's national convention.

The party leaders will be in Chicago for meetings Monday and

Tuesday. The discussion on the "loyalty" pledge is expected to feature a public session Tuesday afternoon.

Mayor Joseph Clark of Philadelphia is to be president at the session called a "Forum on State, County and City Political Organizations."

White said in Jackson, Miss., last night that unofficially he had heard from Chicago that the "loyalty" oath issue might be sidestepped in the interest of party harmony with congressional elections only a year away.

The Mississippi governor said his views on the "loyalty" pledge actually would promote harmony. His argument is that Southern Democrats will not be willing to give wholehearted support to the party until the "loyalty" pledge is removed from convention rules.

The average passenger car in the United States uses about 650 gallons of gasoline a year.

GOPs React to Truman's 'Politics'

By JACK BELL

WASHINGTON (AP)—Republicans snapped back today at Democratic criticisms of foreign policy and at former President Truman's advice to his party members to quit supporting Eisenhower administration programs.

Sen. Dirksen (R-Ill.) said Truman's Labor Day assertion in Detroit that the time has come when the Democrats should "really go after that outfit down there in Washington and get 'em" represented an "entirely political reaction."

"It is a patent indication that the ex-President from Missouri is far more interested in his party's success in November 1954 than he is in the welfare of the country," Dirksen declared. "It is in sharp contrast to the public service being rendered by another ex-President, Herbert Hoover."

In a separate interview, Sen. McCarthy (R-Wis.) struck back at a statement by former Gov. Adlai E. Stevenson of Illinois that "book burning, McCarthyism and insistence upon conformity in thought" are damaging American prestige abroad.

"His statements conclusively prove the wisdom of the American people when they rejected his bid for the presidency last fall," McCarthy said.

Stevenson, the 1952 Democratic presidential nominee, said in an interview with Newsweek magazine that the United States needs "a clearer and more consistent policy" in foreign affairs.

A&M Getting Late Start on Workouts

(This is another in a series discussing Southwest Conference football prospects)

COLLEGE STATION, Tex., (AP) — With the hardest start yet still ahead, Coach Ray George sized up his Texas A&M football prospects after a week of two-day drills with the feeling that the boys are coming along fine.

"It's still a little early," said George, in reply to a question about his team, "but I'll say this: The boys are working hard and are responding well to the one-plateau."

George will gradually step up the scrimmages and hard body contact. Toward the end of the first week of drills, defensive scrimmages were held against Kentucky plays and most of the 1952 offensive specialists were taking to the defense like a duck takes to water.

Kentucky it is that the Aggies open the season against Sept. 19 in a high game at Lexington.

Such offensive performers as full-back Don Kaetlik, tackle Duwood Scott, guard Sid Theriot, Marvin Tate and Ray Barrett, and ends Eric Miller and Bennie Sinclair.

None of the experts can see even a remote chance of a Southwest Conference title at A&M this fall. However, it's an improved team with a much-improved backfield and an untied line that may improve tremendously under the influence of George and new line mentor, Mike Michaels.

Of the 12 listed starters, all are lettermen except Sinclair and Broussard. All were either offensive or defensive starters last fall except Broussard, Robbins, Sinclair and Winkler.

The Cadets open the season against Kentucky, then play University of Houston, Georgia and Texas Tech before starting Southwest Conference warfare.

for a head basketball coach to succeed the departed Ross Collins, he called Rose for a recommendation.

Although he knew it would cost him a valuable hand, Rose recommended his assistant, Mel McGaha. "Mac" got the job.

George Cole, assistant coach and chief scout, has cut his weight from 200 to 275 — and most of it came off a now-trim waistline.

U. of A. Basketball Coach Glen Rose says his team isn't going to the world on fire next winter but adds that things are looking up for the future.

"I've got the five best prospects in the state coming in as freshmen this fall, and if we can get the five best every year we'll be all right."

Rose won't announce the names of his recruits until they actually enroll next weekend.

When Arkansas A&M President Horace Thompson began looking

clear were given the treatment on defense and came through well. They all will be starters, at least as the coaches see them at this stage of the campaign.

Only three casualties were reported the opening week. In addition to the loss of Maledon Hambrick star halfback prospect from Arlington State Junior College who will attend Florida this fall, the Aggies lost a letterman tackle T. K. Niland, senior from Houston.

Niland has decided to quit the game for his final semester at A&M and will add the coaching staff of the A&M Consolidated High School.

Another junior college transfer, Cary Wofford of Tuley reported to practice with a shoulder separation and is not working in pads, for then once, Wofford is expected to be a contender for the starting center position.

Niland's departure leaves the Aggies with 19 lettermen from 1952 and one 1951 T-tumn, end Dil. Ballard.

With the exception of center, all starting positions are filled. At least they would be starters if the Aggies had a game tomorrow.

They are: ends, Eric Miller of Bartlett and Bennie Sinclair of Minola; tackles, Duwood Scott of Munday and Lawrence Winkler of Temple; guards, Sid Theriot of Gibson, La., and Marvin Tate of Abilene; backs, Don Ellis of De-quincy, La.; Don Kaetlik of Rio Hondo, Connie Maguire of New London and Joe Brodz of Dallas.

At the present until Wofford is able to take the heavy contact work, Fred Broussard, 225-pound sophomore from DeQuincy, La., and Cooper Robbins, senior from Breckenridge, are battling for the center position.

Lid Comes Off Tonight in State Grid Play

By THE ASSOCIATED PRESS
Arkansas' 1953 high school football season, cut short this year by the elimination of the playoffs, opens this weekend with seven games on tap for tonight and 50 more slated for Friday.

The high school gridder this year will be seeking district titles only since the playoffs were set aside by the Arkansas Athletic Association at the end of the last season.

Most important tangle slated for tonight is the Class AA Subleague North Little Rock of the Big 7 at the capital city's north side.

Other games will have Newport in Class AA host to Bald Knob in Class A; Prescott, Class A, will entertain Bearden, in Class B team; Dardanelle will visit St. Anna's of Fort Smith in a Class B conference title and three Big 7 "Y" teams will play out of town—Little Rock at Harrison; Fort Smith at Clarksville and Texarkana at Mineral Springs.

There has been some shuffling in the classifications and districts of the 142 high schools fielding football teams this season.

These are the changes: Arkademo, which last year played in Division 3 of Class AA, this year has moved into Division 4.

In Class A, Pocahontas, which last year was in District 2, now is in District 3;

West Memphis and Truman, which were in Class B, District 3, last year, moved into Class A.

In District 8, Dumas, which last year was in Class B has moved into Class A, where it replaced Lake Village which dropped into the lower Class B classification.

Green Forest, in District 1, Class B, which took the district championship last year, is not listed for the 1953 season.

This leaves only two teams in the district—Berryville and Lincoln and the game between them will settle the district championship.

District 2, Class B in 1952, this year moves into District 6, Class B.

In the games tomorrow night, some 20 are slated to be conference tilts. One in Class AA—Snackover at Arkadelphia; eight are in Class A and 11 in Class B.

There are few traditional rival games tomorrow night. Van Buren at Fort Smith and Texarkana, Ark., at Texarkana, Tex. One other team is playing out of the state—Hot Springs at Greenville, Miss.

If past performances mean anything, the following teams which captured their district and division championships last year should repeat. But reports show that a number of them have been hit hard by graduations.

The champions last year include: Little Rock in the Big 7; Rogers, Jonesboro, Benton and Camden in Class AA; Harrison, Seney, Marked Tree, Booneville, Brinkley, Stuttgart, Nashville-Fairview (tie), McGeehee in Class A; and Green Forest, Heber Springs, Early, Atkins, Carlisle, Hughes, Norphlet and Dumas in Class B.

The state champs last year were
